In association with the Greek Presidency of the Council of the European Union, the Board of Governors of the Anna Lindh Foundation will meet at Athens' world-renowned Zappeion Hall on Tuesday 28th January, to endorse and kick-off its programme for 2014. The event will be live-streamed on the new Website Portal of the Foundation, to be launched at the same hour at: www.annalindhfoundation.org

The Anna Lindh Board of Governors is comprised of the Ambassadors of 42 Member States of the Union for the Mediterranean (UfM), in addition to the EU and the Arab League. 2014 marks a decade since the UfM countries took the collective decision to create the Anna Lindh Foundation as its first common institution. The anniversary year will see a series of activities across the Foundation's Network of 42 National Networks, culminating in a major Mediterranean event in Napoli in October 2014.
