(APA 1.2)

*This overview schedule aims at helping participants to prepare for the sessions. It should be considered **indicative** and will be updated with new information as it becomes available. Please confirm exact times of meetings by checking the Daily Programme and CCTV, as there may be changes.*

The events under “UNFCCC and special events” showcase the theme “Accelerating implementation of the Paris Agreement” and have been categorized as follows:

	Enhancing ambition
	Promoting implementation
	Providing support
	Global Climate Action events ¹

¹ In addition to these listed global climate action events, the Government of Morocco will host a *Low-Emissions Solutions Conference* from 14 – 16 November, participation in which will be by invitation only. The high-level champions on climate action intend to publish a note in advance of the session which would highlight other activities and events relevant to climate action taking place during the period of the COP.
