

The future of EuroMed civil society +25

The year 2020 marks the 25th Anniversary of the launch of the Barcelona Process. It is the time to take stock of what has been achieved during a quarter of a century of dialogue and cooperation as well as to reflect on the future of the Euro-Mediterranean Partnership.

On this occasion, the Union for the Mediterranean has decided to give a special focus to **people-to-people cooperation** in the Mediterranean by showcasing successful initiatives promoted by the civil society across the Euro-Mediterranean region on priority areas such as climate action, water, local development, social inclusion, job creation, gender equality and youth empowerment.
