

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

It was an honor to attend the precious roundtable talk at the Museum of Peace in Napoli. I am indebted for the President of the Museum's kindness and showing us the rooms (Medetraman) as well as the nice gifts. Looking forward to donate some books and Afghan artifacts under Afghanistan Corner Name. May Peace, Prosperity and Democracy prevail in my Country Afghanistan.

With Great Enthusiasm
