Voting system applied as per Award Regulations:

Article 4 – National Networks

- The 42 Heads of Network will select the shortlist of 5 finalists for the final vote taking place among the national network members.
- The nominations for the Award must be made by members of Anna Lindh Foundation National Networks.
- Following the selection of the 5 finalists by the Heads of Network, the National Network members will participate in the final voting for the winner. A double voting system will apply: 50% of the scores will be awarded to the 5 final candidates according to the total proportion of votes obtained in the 42 Networks together (proportional vote); 50% of the scores will be awarded according to the national constituencies, where the candidate who gets the majority of votes within a National Network, s/he will be considered the candidate of this respective Network (first-past-the-post vote).

**C. Final Results**

<b>Runners-up</b>	<b>Global percentage (average Proportional and First-past-the-post)</b>
Teatro Valle Occupato	31.53%
Association for Development and Enhancement of Women (ADEW)	22.23%
Israel/Palestine Center for Research and Information (IPCRI)	15.06%
Symβiosis	13.14%
